Winton Financial Limited ("Winton") continued their participation in a Youth-led project, Clap@JC, created and funded by The Hong Kong Jockey Club Charities Trust ("the Trust").

This year, Winton collaborated again with The Boys' and Girls' Club Association of Hong Kong ("BGCA"), the supporting unit of the project in promoting the physical and mental well-being of youth, in organising a DIY flower bouquet workshop. Winton donated HK\$2,000 to the Trust and also gave hand-made gifts to BGCA.

In the afternoon of Saturday, 27 April 2024, staff of Winton and their family members, together with some youth volunteers and instructors from the Jockey Club Yau Tong Children & Youth Integrated Services Centre ("JC Yau Tong C&Y ISC") spent their weekend in participating in a three-hour workshop on "DIY flower bouquet". The completed products were donated to the children receiving after-school care services operated by the Centre as gifts to their mothers in celebrating Mother's Day.

This interactive workshop was led by BGCA's instructors and a social worker, who guided the participants in producing hand-made flower bouquet including packaging.

At the workshop, the participants used colourful plush wires in making 20 pieces of flower bouquet gift-wrapped with flower papers. Small greeting cards tagged with the Company's logo were inserted as part of the packaging for children to write their gift blessings.

All the participants enjoyed the production process. They felt that this activity was meaningful in contributing to the local community.

大眾銀行集團(香港)：推廣電子利是 及回收利是封

Lai-see Collection from Colleagues

Public Bank Group, Hong Kong (the "Group") launched different initiatives in promoting E lai-see and recycling of lai-see through various channels. The giving of lai-see has been one of the must-do traditional activities during Chinese New Year. However, the wastage behind this tradition is enormous and people have to be environmental conscious while celebrating Chinese New Year. In addressing this issue, the Group took proactive steps to promote eco-friendly practice, such as posting promotional posters of E lai-see at branches of Public Bank (Hong Kong) Limited in raising the environmental awareness of wastage to staff and customers. Customers were also encouraged to use E lai-see through the e-banking website login page.

As for recycling of lai-see pockets, four lai-see collection boxes were placed at designated office premises to recycle unused lai-see. Ten cartons of recycled lai-see were collected from our supportive colleagues and delivered to the local recycling facility, Mil Mill, where the materials were properly repurposed. The Group continues to be dedicated in reducing wastage and cultivating green sense into staff and customers' mindset. Staff were encouraged to embrace eco-friendly practices while celebrating the Chinese New Year festive season.

大眾銀行集團(香港)(「集團」)推出了不同方法來推廣電子利是和利是封回收。派發利是一直是過年傳統活動之一。然而，部分傳統習俗會產生不必要的廢物。因此，在歡慶農曆新年之際，我們也應當注重環保，以永續的方式傳承節日傳統。為回應這一環保議題，大眾銀行(香港)有限公司的分行亦張貼了電子利是的宣傳海報。客戶亦可於本銀行網站登錄頁面看到使用電子利是的提醒字句，以提高員工和客戶的環保意識。

集團於公司擺放了4個利是封收集箱，以回收未曾使用的利是封，並一共收集了10箱可用作回收的利是封。這些利是封已轉送至本地回收廠咁坊作物料回收再利用。本集團致力減少浪費及培養員工及顧客的環保意識。在慶祝節日的同時，讓我們身體力行支持環保，為地球出一分力。

During one of the tour sessions, the staff blindfolded themselves and relied solely on sound signals and facility markings in navigating simulated pedestrian bridges and traffic crossings, enabling them to empathise deeply with the visually impaired on the challenges faced by them in their daily living.
